Please enter the quantities for each garment in the box by the required sizes and return the form to one of the DW team. Alternatively post your form to: DWA c/o 18 Queen Street, Piddington, HP14 3BW. Please DO NOT send payment at this stage. You will be e-mailed a statement when your order has been processed and you should then arrange payment preferably via a BACS transfer to the DWA account the details of which will be shown on your statement. Once payment is received a new statement will be issued to show that your account is clear.

Orders will be collated so that garments can be manufactured in batches to keep costs to a minimum which will maximise the profits, all of which are going directly to Joe's nominated charities. For this reason a delivery date cannot be guaranteed but should be approximately 21 days from receipt of your second statement.

Once orders are ready they can be collected from Adams Park on home match days or alternatively they can be posted for an additional fee of £5.00. If you require postal delivery please add the charge to the order form.
